

RECTANGLE FLAGS **vs** EDGE FLAGS

Two great flag styles. Different features. Choose the one that's right for your display.

RECTANGLE FLAGS

LARGEST PRINT AREA

Maximum space for your logo, message and design.

MOVES IN THE WIND

Flows naturally to grab attention from a distance.

FIVE STANDARD SIZES

2m Small (1600 x 600mm)
3m Medium (2300 x 810mm)
4m Large (3300 x 810mm)
5m XL (3700 x 810mm)

SINGLE OR DOUBLE SIDED

Your choice of single or double-sided printing.

OUTDOOR VISIBILITY

Ideal for outdoor events, shops, sporting clubs and promotions.

Classic rectangular shape

Large print area for maximum visibility

VS

EDGE FLAGS

TENSIONED DISPLAY

Horizontal top arm keeps the flag stretched tight and smooth.

CUSTOM SIZES

Made to suit your exact height and width needs.

SMOOTH & CLEAN LOOK

Artwork stays flat and easy to read at all times.

INDOOR & COVERED AREAS

Perfect for exhibitions, shopping centres, showrooms, entrances and indoor spaces.

PROFESSIONAL FINISH

Premium look with minimal movement.

Horizontal top arm keeps flag taut and smooth

Tensioned fabric for a clean, wrinkle-free display

QUICK TIP: Choose Rectangle Flags for maximum outdoor visibility. Choose Edge Flags for a smooth, structured and professional display.
